

Client saying	Client thoughts
Client DO Visual, simple	APSS Feel
Pain Feel No long paragraphs	Gain Fee

Report Needles, Co

Reference Point

Wants: Easy Navigation, similar to Eaton Labs

Research base, No AI photo, Combine Apss site & research
Blog updates, Visual

Concon original site: Home page overwhelming, Statistics, Reviews

Thoughts: Move address at top bar, Hot links in graphics,

Research page: Boring, too much text

Must haves:

Lo-Fi Design

Client saying Monthly blog Sustainability	Client thoughts Sustainability
Client DO Repair Teach children how things work ↳ smash lab	Enviro Feel Clean Being a HUB
Pain Feel No long paragraphs	Gain Fee Friendly, inviting

Wants: Smash Lab = Gate way, Website as a historical marker, tend by example
Hook people, More graphics, Donation Tab, Inventory

Concern: Search bar, booking repair, News and events more visual

Thoughts: Directory updatable
↳ more updatable

Reference

Calgary Climate
Hub
Climate reality

Research page: Pollinator News separate?

Combine

Pollinator

wordpress

↳ searchable data base

Online booking - Bookly?

↳ limiter

↳ worker counter

↳ personal info → skill
→ schedule

↳ Rules

↳ messenger → email

↳ Description → phone?

Biggest Concern:

Booking, visualize
